

# RETLAMI-SEE

Enhancing Capacities for  
Quality and Impactful  
Research on Transformations,  
Labour and Migration in  
Southeast-Europe

## Challenge

Southeastern Europe faces complex challenges related to migration and social transformations. Researchers often lack structured support to conduct interdisciplinary and impactful studies.

## Partners

- FPN UNIBL (B&H)
- RECET UNIVIE (Austria)
- ZRC SAZU (Slovenia)
- IOS (Germany)

## What does RETLAMI-SEE bring?

Developing a sustainable research framework at UNIBL through mentoring, training and knowledge exchange.

Strengthening cooperation between UNIBL and leading European institutions.

Research on (labor) migration routes and their impact on communities, along with the creation of an interactive database.

Increasing the visibility of UNIBL researchers on the international stage.
